Experienced Graphic Designer, Web Developer, and Software Developer with a strong passion for coding, design, and product development. Proven track record in creating high-quality artwork and software solutions that align with client goals. Highly motivated and proactive, continuously expanding skills through learning and challenges. Demonstrated ability to collaborate with diverse teams and clients, delivering innovative products while maintaining attention to detail, organization, and dependability. Skilled in both independent and team-based work environments, with excellent communication and problem-solving abilities. Dedicated to leveraging technology to create impactful, user-focused solutions that improve lives.

WORK EXPERIENCE

2020 JUN – 2020 SEP

IT INSTRUCTOR & GRAPHIC DESIGNER, ALFA EDUCATION

ACHIEVEMENTS

- Develop creative advertising content for various media, including catalogs, menus, business cards, flyers, posters.
- Conceptualize logo design, gif animations, videos, websites and social media channels to promote product brands.
- Used composition and color theory knowledge to design websites according to client need and preferences.

2022 OCT – 2023 JAN

GRAPHIC DESIGNER, ALTERNATIVE TECHNOLOGY

- Designed UI/UX using Figma, creating wireframes and prototypes to streamline the product development process.
- Applied post-production techniques in Photoshop to enhance and finalize visual content for various projects.
- Worked with different teams to ensure designs were consistent and met project goals.
- Created user-friendly and attractive UI/UX designs to improve user experience.

ONGOING

FREELANCER

- Developed websites for customers, ensuring tailored solutions that meet their specific requirements.
- Designed flyers and other promotional materials for various clients.

EDUCATION

PASSED YEAR 2016

SLC, KALIGANDAKI ACADEMY

I graduated from KALIGANDAKI ACADEMY.

PASSED YEAR 2019
